Field Card

Record only your data (not group data). Regardless of who flushes a hare, if you see it, report it.

If you hunt different COUNTIES OR WMUs on the SAME day, list those hunts separately. Please make sure both WMU and COUNTY are correct for each hunt you record.

Date	County	Wildlife Mgt Unit	Hours Hunted	# Flushes	Hares Harvested	Hare all white? (Y/N)	If not all white, describe here or on back
